### **Symbology, Inc. to Exhibit at FABB Conference**

Minneapolis – Symbology, Inc. of Minnesota will be a new exhibitor at the FABB ( Florida Association of Blood Banks ) annual conference in Orlando, FL. The conference and expo takes place at the Hyatt Regency Grand Cypress, Orlando on June 7 – 8, 2007.

As a bar code label specialist, Symbology will feature custom and standardized Blood Bag Donor Unit ID label sets. An unusual option of this set is that Symbology produces them either in roll or pad/tablet form. Additional bar code labels offered include Blood Product and Type labels. Printers, blanks and ribbons favored throughout the blood industry will also be available, as will Donor ID duplicator programs.

Symbology uses FDA compliant materials for labels and is a licensed vendor of the ICCBBA (International Council for Commonality in Blood Banking Automation) who sets standards for the ISBT 128 blood industry code.

Number / sequence management, bar code accuracy, competitive pricing, and over 25 years of bar coding experience are just a few attractions for blood industry clients to Symbology.
