### Symbology, Incorporated Expands Web Site

Minneapolis – Symbology, Incorporated has updated and enhanced their web site at [www.symbology.com](http://www.symbology.com). Info-seekers on the web will now find more information both on the types of products offered and details about each product or service. The new navigation layout also makes the site easier for visitors to browse for either general or specific bar code data.

For Symbology's primary area of focus, Sequentially Numbered Bar Code Labels, highlights include an expanded information section with additional categories of label types. A special segment contains data on security products; a hot topic in light of today's anti-fraud and anti-tampering requirements. New offerings are also included in the Bar Code Film/File section such as Emergency Bar Code Service.

As a major provider of Bar Code Verification equipment, Symbology has greatly extended the facts available for their complete line of verifiers. Browsers can check out particulars on inspection models from portable hand-helds to complex high speed verifiers.

Symbology Incorporated, established in 1980, is a specialty manufacturer of sequentially numbered bar code labels, including customized security products. An ISO 9001 certified company, they are also the largest provider of bar code DigiCode® files and film masters, and offer a complete line of inspection equipment. Customers around the globe choose Symbology for its top quality products, technological expertise, and unsurpassed customer service. Offices are located in Maple Grove, Minnesota.
